**SCENE 6: the Bedroom**

**(Track 15 continues- CUPCAKE DREAM 2, ends in ALARM CLOCK )**

**PETER  
START**

*(PETER enters, hopping with his bunny. PINKALICIOUS sits up, yawns, and stretches.  
The audience sees that she is red, but she doesn't notice.)*

PETER

You're red!!

PINKALICIOUS

*(PINKALICIOUS runs to the mirror) What? I'm red? AHHHHHHHHHHH!*

PETER

You're on fire!

PINKALICIOUS

I've gone from a jellybean to a red hot!

*(PETER reaches out and touches PINKALICIOUS carefully with one finger.)*

PETER

No, you're not hot, just red.

PINKALICIOUS

But I don't want to be red! I want to be pink!

PETER

You look good red. Like a big strawberry. You'll make a great devil for Halloween.

PINKALICIOUS

I shouldn't have eaten that cupcake last night! What was I thinking?

PETER

You ate another cupcake? Where were they? You found them?

PINKALICIOUS

They were on top of the refrigerator.

*(pouts)*

I hate red!!!!

PETER

Don't worry, Pinkalicious, you'll be fine.

PINKALICIOUS

*(looks at PETER and starts giggling)* Peter, you're dressed in pink!

PETER

What are you talking about?

PINKALICIOUS

I know the color pink when I see it.

PETER

Ok, what color is your pink princess pillow?

PINKALICIOUS

Pink, duh.

PETER

What about the whites of my eyes?

PINKALICIOUS

Pink.

PETER

You're seeing everything in pink!

MRS. PINKERTON

*(from off-stage)*

Pinkalicious? Peter? Where are you?

**TRACK 16: PINKALICIOUS AND PETER PONDER THE PREDICAMENT, GREEN FOODS**  
*(PINKALICIOUS & PETER) – track ends in rooster crow*  
**GO: end of MRS PINKERTON’s “where are you?”**

PETER and PINKALICIOUS

OH NO!

PINKALICIOUS

I have to do something, Peter. If Mommy and Daddy see me all red I will be in BIG trouble! You have to help me!

PETER

What's in it for me?

PINKALICIOUS

Um... (*idea*) I will never touch your toys again!

PETER

Promise? And maybe sometimes I can get MY way, instead of you always getting YOUR way? Can you promise that?

PINKALICIOUS

OK, OK. I PROMISE you can get your way some of the time. Now will you help me?
